

- I'd like to get a job where above all I am respected as a person as a worker and of course, I am enjoying what I am doing.

are still unemployed and stuck in a circle.

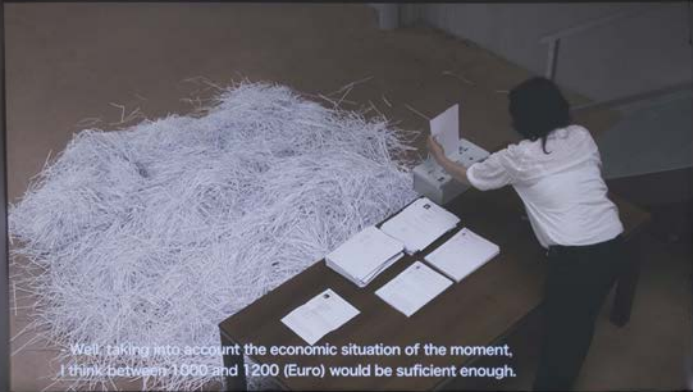

- Are you currently on the dole?

- I think I've never had a job that could be considered as enjoyable, so far, I have learned to do the required tasks and I think I've done that more than satisfactory.

- What salary do you think would be appropriate for you now?
